PERSONAL STATEMENT

I'm a BSIT graduate and aspire to excel as a web developer in the tech industry. Proficient in HTML, CSS, JavaScript, PHP, SQL, and Python, along with frameworks like React, Angular, Tailwind, and Bootstrap, I continuously refine my skills through personal projects that I put up on GitHub. I am eager to contribute my technical expertise and creativity to innovative web development projects and collaborate with dynamic teams to drive digital solutions forward.

TECHNICAL SKILLS

Skills: HTML, CSS, JavaScript, Python, PHP, SQL, ReactJS, Angular, Tailwind, Bootstrap

Others: VS Code, GitHub, and Figma.
